Here's what to do if you'd like to be included:

1. Create a short biography or artist statement as a word document or directly in the email.
2. Include your own website or social media handles if you have them.
3. In an email, attach up to 6 photo entries.
 - For each entry, include the title, size, and medium and price and framing info if its for sale.
 - Photos should be in focus, with no glass glare, no skewed corners, color correct, and no frame showing.
 - If you're sending from an Apple device, choose "medium" or "large" size when emailing. If you have control over file size, they should be approx. 1200 pixels in the longer direction.
4. Optional: to create a product page in our store (<https://ccaagallery.org/product-category/art/>), linked from "Meet the Artist" page, the following information is also desired:
 - Additional photo(s) that includes framing, or close up details. See <https://ccaagallery.org/product/model-a-ford-an-american-classic-by-rhett-regina-owings/> as an example.
 - Any additional description information you'd like. Shoppers want to know a little about your inspirations, for example where a landscape is or what colors you used. See <https://ccaagallery.org/product/the-sea-around-us/> for an example.
 - KEEP IN MIND THAT WE'RE STILL WORKING OUT THE KINKS, INCLUDING SHIPPING AND DELIVERY OPTIONS. IF YOU HAVE ANY THOUGHTS ON THIS OR OTHER SHOP TOPICS, PLEASE DON'T HESITATE TO CONTACT ME.
 - If you have any questions... I'm happy to help. Call me at 209-247-2626 or email ccaagallery@gmail.com.
